

Mr Slim Outdoor Unit

SUZ-M Series
PRODUCT FLYER

The Mitsubishi Electric SUZ-M Series outdoor units are now available in R32 refrigerant, making it more energy efficient compared to previous R410A models. Ideal for residential and light commercial applications, SUZ-M Series works with a broad range of indoor units, perfect for many interior designs. The SUZ-M Series are rated to 52°C ambient.

Compact Design

The compact design allows the SUZ-M units to be more versatile, with the ability to fit into small spaces where limited room is an issue.

24% reduction in Weight 41kg
18% reduction in Height 714mm

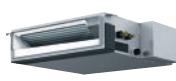

Easier Transportation & Installation

The SUZ-M50 has an 18% reduction in height and a 24% reduction in weight, compared to the previous model. Facilitating easier transportation and installation.

Versatile Design

Connectible to a wide range of indoor units, giving it versatility to ideally match the installation needs of most typical residential and light commercial applications.

Features

- » Full Inverter technology
- » R32 refrigerant for lower GWP (Global warming potential)
- » Single phase power
- » Demand response capable
- » Wi-Fi connectable (optional adapter required per indoor unit)
- » 52°C operating temperature
