PACKED WITH FEATURES including...

Gentle breeze innovation: harnesses thousands of microholes on the vanes to ensure a draft-free, broader, gentler spread of air.

Seamless control anywhere^ using the remote and/or integrated apps - TCL Home, Amazon Alexa or Google Assistant - personalising comfort is easy.

"I Feel" mode: with a thermometer intergrated into the remote, it senses the temperature around it and adjusts accordingly.

4-Step Auto Clean Mode uses the air's natural water molecules to sweep away dirt and impurities and the system sends timely filter reminders.
